

Title 10 - Armed Forces
Subtitle A - General Military Law
Part II - Personnel
Chapter - Medical And Dental Care

§ 1095f. TRICARE program: referrals for specialty health care

The Secretary of Defense shall ensure that no contract for managed care support under the TRICARE program includes any requirement that a managed care support contractor require a primary care or specialty care provider to obtain prior authorization before referring a patient to a specialty care provider that is part of the network of health care providers or institutions of the contractor.
