I. DESCRIPTION

The CHCBP was established by Section 4408 of the National Defense Authorization Act for FY 1993, P.L. 102-484. The CHCBP provides continued health benefits coverage to members discharged or released from active duty or full-time National Guard duty, and certain unmarried family member children and unremarried former spouses who lose their TRICARE eligibility. Eligible individuals must enroll through a third party administrator and pay premiums. Benefits under the CHCBP are identical to those under the TRICARE Standard Program. Refer to TOM, [Chapter 15, Section 3](#) for information on the CHCBP.
