

DENIS-BROWNE SPLINT

Issue Date: November 1, 1983

Authority: [32 CFR 199.4\(d\)\(3\)\(viii\)](#)

I. PROCEDURE CODE

29590

II. POLICY

A Denis-Browne splint is covered as an orthopedic brace in connection with Talipes Equinovarus, a type of clubfoot.

III. POLICY CONSIDERATIONS

A. Replacement shoes are covered when necessary due to growth of a child's foot.

B. Claims for shoes must be developed to document that the shoes are attached as an integral part of the brace.
