6.5.3 The contractors are not required to research their files to identify these individuals. If the contractor receives a refund request, then the contractor shall refund the unused portion of the enrollment fee determined to be an overpayment in accordance with policy.

6.5.4 Medicare eligible ADFMs age 65 and over are not required to have Medicare Part B to remain enrolled in TRICARE Prime. To maintain TRICARE coverage upon the sponsor's retirement, they must enroll in Medicare Part B during Medicare's Special Enrollment Period prior to their sponsor's retirement date. (The Special Enrollment Period is available anytime the sponsor is on active duty or within the first eight months of the sponsor's retirement. If they enroll in Part B after their sponsor's retirement date, they will have a break in TRICARE coverage.)

6.5.5 Medicare eligibles age 65 and over who are not entitled to premium-free Medicare Part A are not required to have Medicare Part B to remain enrolled in TRICARE Prime. Because they may become eligible for premium-free Medicare Part A at a later date, under their or their spouse's SSN, they should enroll in Medicare Part B when first eligible at age 65 to avoid the Medicare surcharge for late enrollment.

6.6 The contractor shall include full and complete information about the effects of changes in eligibility and rank in beneficiary education materials and briefings.

7.0 WOUNDED, ILL, AND INJURED (WII) ENROLLMENT CLASSIFICATION

The WII program provides a continuum of integrated care from the point of injury to the return to duty or transition to active citizenship for the Active Component (AC) or the Reserve Component (RC) service members who have been activated for more than 30 days. These AC/RC service members, referred to as ADSMs, have been injured or become ill while on active duty and will remain in an active duty status while receiving medical care or undergoing physical disability processing. WII programs vary in name according to Service. The Service shall determine member eligibility for enrollment into a WII program, as well as whether or not to utilize these enrollments.

To better manage this population, a secondary enrollment classification of Health Care Delivery Program (HCDP) Plan Coverage Codes, WII 415 and WII 416 were developed. The primary rules apply to the WII HCDP codes:

- ADSMs must be enrolled to a TRICARE Prime program prior to, or at the same time, as being enrolled into a WII 415 or WII 416 program.
- A member cannot be enrolled in WII 415 and WII 416 programs at the same time.
- WII 415 and WII 416 enrollments will terminate at the end of the member's active duty eligibility, when members transfer enrollment to another MTF, change of a plan code, or at the direction of the Service-specific WII entity.
- Any claims processed for WII 415/416 enrollees shall follow the rules associated with the primary HCDP Plan Coverage Code, such as TRICARE Prime, TRICARE Prime Remote (TPR), TRICARE Overseas Program (TOP) Prime, or TOP Prime Remote. All claims will process and pay under Supplemental Health Care Program (SHCP) rules. DEERS will not produce specific enrollment cards or letters for WII 415/416 enrollment.

WII 415/416 TRICARE Encounter Data (TED) records shall be coded with the WII 415/416 HCDP Plan Coverage Code; however, the Enrollment/Health Plan Code data element on the TED record shall reflect the appropriate value for the primary HCDP Plan Coverage Code. For example, a TED record for a WII 416 enrollee with primary enrollment to TPR would reflect the HCDP Plan Coverage Code of "416" but the Enrollment/Health Plan Code would be coded "W TPR Active Duty Service Member".

7.1 WII 415 - Wounded, Ill, And Injured (e.g., Warrior Transition/MEDHOLD Unit (WTU))

7.1.1 Service defined eligible ADSMs assigned to a WII 415 Program such as a MEDHOLD or WTU shall be enrolled to TRICARE Prime or TOP Prime prior to, or at the same time, as being enrolled into the WII 415. Members cannot be enrolled to the WII 415 without a concurrent TRICARE Prime or TOP Prime enrollment. Service appointed WII case managers as determined by the Services, will coordinate with the MTF to facilitate TRICARE Prime PCM assignments for WII 415 members. The contractor shall then assign a PCM in accordance with the MTF MOU and in coordination with the WII case manager. WII 415 enrollment will not run in conjunction with Transitional Assistance Management Program (TAMP) and members enrolled in TPR, or TOP Prime Remote are not eligible to enroll in the WII 415.

7.1.2 The Service-specific WII entity will stamp the front page of the DD Form 2876, enrollment application form, with WII 415 for new enrollments that begin after the DEERS implementation date. The enrollment form will then be sent to the appropriate contractor who shall perform the enrollment in the DOES and include the following information:

- WII 415 HCDP Plan Coverage Code
- WII 415 Enrollment Start Date (Contractors may change the DOES defaulted start date, which may or may not coincide with the Prime Enrollment start date. The start date can be changed up to 289 days in the past or 90 days into the future.)

7.1.3 WII 415 enrollments will be in conjunction with an MTF enrollment only, not to civilian network PCMs under TPR enrollment rules. DEERS will end WII 415 enrollments upon loss of member's active duty eligibility. WII 415 program enrollments will not be portable across programs or regions. The TOP contractor will enter WII 415 enrollments through DOES for outside the 50 United States and the District of Columbia.

7.1.4 The contractors shall accomplish the following functions based on receipt of notification from the Service-specific WII program entities:

- Enrollment
- Disenrollment
- Cancel enrollment
- Cancel disenrollment
- Address update
- Contractors can request Policy Notification Transaction (PNT) resend
- Modify begin date
- Modify end date

7.1.5 Service WII entities will provide contractors with a list by name and SSN of those ADSMs currently assigned to their WII program at the time the program is implemented by DEERS. The contractors shall enter these ADSMs into DOES as enrolled in WII 415 with a start date of the date of implementation, unless another date, up to 289 days in the past, is provided by the WII entity.

7.2 WII 416 - Wounded, Ill, And Injured - Community-Based (e.g., Community-Based Health Care Organization (CBHCO))

7.2.1 Service defined eligible ADSMs may be assigned to a WII 416 Program such as the Army's CBHCO and receive required medical care near the member's home. The service member shall be enrolled to TRICARE Prime, TPR, TOP Prime, or TOP Prime Remote prior to or at the same time as being enrolled into WII 416. Members cannot be enrolled to the WII 416 program without a concurrent Prime, TPR, TOP Prime, or TOP Prime Remote enrollment. Service appointed case managers will coordinate with the contractor or MTF to facilitate TRICARE Prime or TPR PCM assignments for eligible beneficiaries. The contractor shall then assign a PCM based on the MTF MOU and in coordination with the WII entity (e.g., CBHCO). WII 416 enrollments will not run in conjunction with TAMP.

7.2.2 The Service-specific WII Program will stamp the front page of the DD Form 2876, enrollment application form, with WII 416 for all new enrollments. The begin date will be the date the contractors receive the signed enrollment form. The enrollment form will then be sent to the appropriate contractor who shall perform the enrollment in the DOES and include the following information:

- WII 416 HCDP Plan Coverage Code
- WII 416 Enrollment Start Date (Date received by the contractor or the date indicated by the Service-specific WII Program which can be up to 289 days in the past, or 90 days in the future.)

7.2.3 WII 416 enrollments can be in conjunction with an MTF, TPR, TOP Prime, or TOP Prime Remote enrollment. DEERS will end WII 416 enrollments upon loss of member's active duty eligibility. WII 416 program enrollments will not be portable across programs or regions.

7.2.4 The contractors shall accomplish the following functions based on receipt of notification from Service-specific WII program entities:

- Enrollment
- Disenrollment
- Cancel enrollment
- Cancel disenrollment
- Address update
- Contractors can request PNT resend
- Modify begin date
- Modify end date

7.2.5 Service-specific WII entities will provide contractors with a list by name and SSN of those ADSMs currently participating in their WII program at the time the program is implemented by DMDC. The contractors shall enter these ADSMs into DOES as enrolled to WII 416 with a start date
