Financial Administration

1.0 GENERAL

All TRICARE requirements regarding Financial Administration shall apply to the TRICARE Overseas Program (TOP) unless specifically waived or superseded by this section or the TRICARE contract for health care support services outside the fifty United States and the District of Columbia (hereinafter referred to as the "TOP contract"). See [Chapter 3](#) for additional instructions.

2.0 PAYMENT POLICY

2.1 Reimbursement of TOP beneficiary claims for overseas health care shall be based upon the lesser of billed charges, the negotiated reimbursement rate, or the government-directed reimbursement rate foreign fee schedule. (See [Section 9](#) and the TRICARE Reimbursement Manual (TRM), [Chapter 1, Sections 34 and 35](#) for additional guidelines). Puerto Rico claims shall be reimbursed following stateside reimbursement guidelines. Philippines and Panama claims shall be reimbursed following government-provided foreign fee schedules, unless the TOP contractor has negotiated a lesser rate with a host nation provider.

2.2 Payment of Skilled Nursing Facility (SNF) claims from Puerto Rico and the U.S. territories (Guam, the U.S. Virgin Islands, American Samoa, and the Northern Mariana Islands) shall be processed as routine foreign claims and shall be subject to the Prospective Payment System (PPS), as required under Medicare in accordance with the Social Security Act. These SNFs will be subject to the same rules as applied to SNFs in the U.S. (see the TRM, [Chapter 8](#)). SNF care is not available in other TOP locations.

2.2.1 Preauthorization is not a requirement for SNF care. TRICARE contractors, at their discretion, may conduct concurrent or retrospective review for Standard and TRICARE for Life (TFL) patients when TRICARE is the primary payer. The review required for the lower 18 Resource Utilization Groups (RUGs) **for services prior to October 1, 2010, and the lower 14 RUGs for services on/after October 1, 2010, are** a requirement for all TRICARE patients when TRICARE is primary (see TRM, [Chapter 8, Section 2, paragraph 4.3.16](#)). There will be no review for Standard or TFL patients where TRICARE is the secondary payer. The existing referral and authorization procedures for Prime beneficiaries will remain unaffected.

2.2.2 Beneficiaries in the lower 18 **or 14 RUGs depending on date of service** do not automatically qualify for SNF coverage. These beneficiaries will be individually reviewed to determine whether they meet the criteria for skilled services and the need for skilled services (see the TRM, [Chapter 8, Section 2](#)). If these beneficiaries do not meet these criteria, the SNF PPS claim shall be denied.

2.2.3 The TOP contractor, at their own discretion, may collect Minimum Data Set (MDS) assessment data per the TRM, [Chapter 8, Section 2](#).

TRICARE Operations Manual 6010.56-M, February 1, 2008

Chapter 24, Section 3

Financial Administration

2.3 The TOP contractor shall be responsible for entering into participation agreements with SNFs in Puerto Rico, Guam, the U.S. Virgin Islands, American Samoa, and the Northern Mariana Islands.

2.3.1 The TOP contractor, at their own discretion, may conduct any data analysis to identify aberrant SNF PPS providers or those providers who might inappropriately place TRICARE beneficiaries in a high RUG. The contractor shall also assist the TRICARE Area Office (TAO) Directors in obtaining/providing SNF data, for conducting any SNF PPS data analysis they deem necessary.

2.4 Balance billing provisions do not apply to TOP beneficiary claims for TOP overseas health care paid as billed, since there is no unpaid balance on these claims. Host nation network providers and participating providers are prohibited from balance billing.

2.5 For health care rendered in Puerto Rico and in the U.S., reimbursement for all TOP beneficiary care shall follow the TRICARE payment policies except as outlined below.

2.5.1 Non-participating provider claims for Active Duty Service Member (ADSM) health care received in the 50 United States and the District of Columbia shall be paid following TRICARE reimbursement rules for institutional and non-institutional care in that location. The TOP contractor shall make every effort to obtain the provider's agreement to accept, as payment in full, first a rate within the 100% CHAMPUS Maximum Allowable Charge (CMAC) limitation and then second, a rate between 100 and 115% of CMAC. If the latter is not feasible, the contractor shall determine the lowest acceptable rate that the provider will accept. The contractor shall then request a waiver of CMAC limitation from the TAO Director, as the designee of the Chief Operating Office (COO), TMA, to ensure that the patient does not bear any out-of-pocket expense. The waiver request shall include the patient name, ADSM's location, services requested (CPT-4) codes, CMAC rate, billed charge, and anticipated negotiated rate. The contractor must obtain approval from the TAO Director before the negotiation can be concluded. The contractors shall ensure that the approval payment is annotated in the authorization/claims processing system, and that payment is issued directly to the provider, unless there is information presented that the ADSM has personally paid the provider.

2.5.2 TOP ADSMs who have been required by the provider to make "up front" payment at the time services are rendered may submit a claim for reimbursement directly to the contractor. Normal TRICARE claims processing requirements apply (including any authorization requirements and the use of TRICARE-approved claims forms). If the claim is payable, the contractor shall allow the billed amount and reimburse the ADSM for charges on the claim.

2.5.3 In no case shall a uniformed service member be subjected to "balance billing" or ongoing collection action by a civilian provider for emergency or authorized care. If the contractor becomes aware of such situations that they cannot resolve, they shall pend the file and forward the issue to the appropriate TAO Director. The appropriate TAO Director will issue an authorization to the contractor for payments in excess of CMAC or other applicable TRICARE payment ceilings, provided the TAO Director has requested and has been granted a waiver from the COO, TMA, or designee.

2.5.4 Overseas drug claims shall be paid following the instructions in [Section 9](#) and the TRM, [Chapter 1, Section 15](#).

2.5.5 Overseas ambulance service claims shall be paid following the instructions in [Section 7](#) and [Chapter 8, Section 1](#).
