### Chapter 6, Section 2

#### Enrollment Portability

---

enrollment to DEERS (using DOES). Upon acceptance of the transfer of enrollment, DEERS will automatically notify the losing contractor of the change. This enrollment transfer will take place without the beneficiary having to complete a new enrollment form. The gaining contractor shall also update the DEERS beneficiary address based on the information received from the ADSM/ADFM.

**1.4.5** If an ADSM does not notify the losing contractor of an upcoming move, but rather contacts the gaining contractor upon their arrival in the new region/service area, then the gaining contractor will offer to transfer the enrollment via telephone or will provide the beneficiary education on how to transfer the enrollment using one of the other enrollment transfer options. Specifically, they can enroll online via the BWE web site, submit a TRICARE Prime Enrollment and PCM Change Form to the regional contractor through the mail or visit a TSC to submit the TRICARE Prime Enrollment and PCM Change Form in person. They may also follow local inprocessing procedures at their new location.

**1.5** When TRICARE Prime enrollment changes from one contractor to another prior to the annual renewal for enrollees in beneficiary categories required to pay enrollment fees, future unpaid enrollment fees, such as those paid on an installment basis, will be due the gaining contractor. There will be no transfers of funds between contractors, and, if the enrollee relocates to an area where TRICARE Prime is not offered, there shall be no refund of the unused portion of the enrollment fee.

**1.5.1** Enrollees in the following categories who are relocating to an area served by a different contractor shall be allowed two "out-of-contract" enrollment transfers (refer to [Appendix B, Definitions](#)) per enrollment year:

- TRICARE Prime enrollees in beneficiary categories required to pay enrollment fees (e.g., retirees, retiree family members), and
- TRICARE/Medicare eligible enrollees who are not ADFMs. (Note: The enrollment fee is waived for those beneficiaries who are eligible for Medicare on the basis of disability or End Stage Renal Disease (ESRD) and who maintain enrollment in Part B of Medicare.)

**1.5.2** "Within-contract" enrollment transfers are not limited.

**1.6** TRICARE Prime USFHP enrollees who are not TRICARE-eligible may only transfer enrollment from one USFHP DP to another USFHP DP; they may not transfer to an MCSC.

**1.7** A TRICARE-eligible Prime enrollee who is not relocating may either transfer enrollment from an MCSC to a USFHP DP or from a USFHP DP to an MCSC under the rules of this section. However, such transfers are allowed only once during an enrollment period and no transfer back to the other plan during that enrollment period is permitted.

Similarly, the need for a NAS, late claim filing, late appeal filing, amount of allowable charge (the contractor must verify it was properly applied and calculated), and services or supplies specifically excluded by law or regulation, such as routine dental care, clothing, routine vision care, etc., are matters subject to legislative action or regulatory rule making not appealable under TRICARE. ### **Non-Compliant, Pharmacy**

Patient did not receive the medication for various reasons (e.g., did not pick up the prescription within the given 10 day grace period, pharmacy cancelled the prescription) and as a result the medication is returned to stock. A subsequent reversal is automatically sent to PDTS which will result in the removal of the prescription fill from the patient profile. A reversed or adjusted TED record is also submitted to TMA resulting in a financial credit to the Government.

### **Noncurrent Records**

Records that are no longer required in the conduct of current business and therefore can be retrieved by an archival repository or destroyed.

A nonparticipating provider looks to the beneficiary or sponsor for payment of his or her charge, not TRICARE. In such cases, TRICARE pays the beneficiary or sponsor, not the provider.

### **Non-Prime TRICARE Beneficiaries**

These are TRICARE-eligible beneficiaries who are not enrolled in the TRICARE Prime program. These beneficiaries remain eligible for all services specified in 32 CFR 199 and are subject to deductible and cost-share provisions of the TRICARE Standard Program.
