Dear \_\_\_\_\_:

**(Use first paragraph only if the recipient has advised the contractor of an overpayment.)** Thank you for your recent notification that this office made an erroneous payment on claims in your **(or Beneficiary's Name)** behalf. We appreciate your cooperation in bringing this matter to our attention. **(If the first paragraph is not applicable, use the following introductory paragraph to the letter;)** The purpose of this letter is to inform you that an overpayment may have been made to you. We are required to provide you with the following information:

On **(Date of Check)** we sent you a check in the amount of \$\_\_\_\_\_ for services furnished to you **(or Beneficiary's Name if he/she is under 18 years of age and the letter is being sent to the sponsor/parent/guardian)** by **(Name and Address of Provider)** on **(Dates of Care)**. This was for **(Type of Service)**. However, that check represents an overpayment of \$\_\_\_\_\_.

**(Insert a paragraph which provides a clear and complete explanation of how the overpayment arose, how the overpayment was calculated, why it was not correct, and how the error was discovered.) (If the payment arose as a result of contractor error, the contractor will add the following sentence at the end of the explanation.)** We truly regret any inconvenience this error may have caused you, and we will make every effort to prevent such errors from happening in the future.

**(Continued from overpayment explanation above.)** Since our records indicate that an overpayment was made, we are required to collect funds which were mistakenly issued from our accounts. We are also required to collect interest on all delinquent debts. Interest shall begin to accrue not earlier than 30 days following notice of the overpayment. The interest rate being assessed is \_\_\_\_% (Enter the rate which would be collected under the Federal Claims Collections Act or the rate allowed by state law, whichever is lower.) Accrued interest will be waived if this debt is paid in full within 30 days from the date of this letter. If payment is not made within 30 days, interest will accrue from the date of this letter.

(CONTINUED)**

**(If administrative costs will be assessed for expenses in collection of the debt the debtor must be advised of these charges. Assessment of these charges must be approved by the TRICARE Management Activity (TMA)).**

We are required to annotate your records to enable us to collect an erroneous payment by offset against current or future TRICARE claims. However, no such offset action will be taken for thirty days from the date of this letter. Since the possibility of offset against your TRICARE claim exists, we are also required to provide the following information to you.

You have the right to inspect and copy all records pertaining to this debt. If you believe this determination regarding your TRICARE coverage is incorrect or dispute the amount of the debt as calculated above, you have a right to request an administrative review of the indebtedness.

**If the recoupment action is being initiated as part of a decision rendered by the TRICARE appeals and hearings process, do not include the next two sentences.** For the purposes of this recoupment action, your right to an administrative review includes your right to a "Reconsideration" under the regulation which governs TRICARE appeals ([32 CFR 199.10](#)). If you request an administrative review, you will be advised if you have further appeal rights to TMA.

If you request an administrative review, it must be in writing and be received by this office within 90 days from the date of this letter. Your request should state specific reasons why you believe you do not owe this debt. You should also attach any supporting documentation, such as bookkeeping and medical records, and a copy of this letter.

If you need to request a waiver of this debt based upon an inability to pay, you will be required to complete a financial affidavit. If it then appears that you are financially unable to make a full refund at this time, you may be afforded an opportunity to enter into a written agreement for repayment of the debt. Please note, however, that any payment plan will include an interest charge at the rate specified above.

Please make your payment, for the total amount shown above, within 30 days in order to preclude interest and late charges from accruing. Send your check or money order, payable to TRICARE, to **(Name Of Contractor)** in the enclosed self-addressed envelope. However, if you do not believe you owe this debt, please contact us immediately with a request for an administrative review and include all supporting documentation.

Your cooperation and prompt attention to this matter are very much appreciated.

Sincerely,

CLAIM # \_\_\_\_\_  
PROVIDER \_\_\_\_\_

Dear \_\_\_\_\_:

We recently received a claim from you or your medical care provider for medical services required by (you/your dependent) which reflected a diagnosis **indicating injury or certain other consequences of external causes**. The diagnosis codes are utilized by medical providers, insurance companies, and medical benefit programs, such as TRICARE and Medicare, to reflect the nature of a patient's illness or injury. **These diagnoses** often, but not always, indicate that the patient suffered an accidental injury or illness. Because of the diagnosis code or codes on your claim form, we must ask you to complete the enclosed DD Form 2527 (Statement of Personal Injury--Possible Third Party Liability).

If someone else caused the illness or injury of you or your dependent, the government has the right to recover the money spent for medical care from that person or that person's insurer. The information you provide on the DD Form 2527 will not affect your legal rights in any personal claim or action you may have against the person who caused your injury. However, you should not furnish that person or his or her insurance company any information that might adversely affect your claim. Also, you should not sign any releases or agree to any settlement with that person or his or her insurance company without first discussing the case with a Uniformed Services Legal Officer or your own attorney.

The enclosed form must be completed by the TRICARE beneficiary, or your representative, even if your medical provider accepts TRICARE assignment and files the TRICARE claim for you. We encourage civilian medical providers to obtain a completed DD Form 2527 from the patient so that it can be submitted with the TRICARE claim form. However, if a claim has been submitted without the required DD Form 2527, the completed DD Form 2527 will be required before the claim is processed.

Remember, if you have other medical coverage such as insurance obtained through your employment, or student insurance, TRICARE cannot pay your claims until the other insurer has issued its payment toward your medical bills. The other insurer must also be listed on your TRICARE claim. A copy of the Explanation of Benefits from your other insurance company must be sent in with your TRICARE claim. If your claim is denied by the primary insurer, you must provide proof of the denial with your TRICARE claim. Any attempt to conceal the existence of other insurance that is primary to TRICARE constitutes fraud and may subject you to civil or criminal penalties. All insurance is primary to TRICARE except Medicaid and insurance which is specifically designed to supplement TRICARE benefits.

Your claims for medical care will be held in a suspense status pending receipt of the enclosed DD Form 2527. To expedite the processing of your claim, please return the completed form with this letter within 10 days in the enclosed, self-addressed envelope. Be sure to sign the form. Forms which have not been fully completed or which have not been signed will be returned to you, and your suspended claims will be denied.

If the form is not returned within 35 calendar days from the date of this letter, your claim and any related claims that have been suspended or are subsequently received will be denied. If you have already submitted a DD Form 2527 for the same accident, notify this office immediately. Even if your illness or injury was not caused by someone else, your TRICARE claims will not be processed until you return the completed and signed DD Form 2527. The information you provide on the DD Form 2527 will not affect payment of benefits on your TRICARE claim.

If you have any questions regarding the form, please contact the Health Benefits Advisor or Judge Advocate General (JAG) at the nearest military hospital. Thank you for your cooperation.

Sincerely,

Dear \_\_\_\_\_:

**(Use first paragraph only if the recipient has advised the contractor of an overpayment.)** Thank you for your recent notification that this office made an erroneous payment on claims in your **(or Beneficiary's Name)** behalf. We appreciate your cooperation in bringing this matter to our attention. **(If the first paragraph is not applicable, use the following as the introductory paragraph to the letter.)** The purpose of this letter is to inform you that an overpayment may have been made to you. The law requires that we provide you with the following information:

On **(Date of Check)** we sent you a check in the amount of \$\_\_\_\_\_ to cover services furnished you **(or Beneficiary's Name if he/she is under 18 years of age and the letter is being sent to the sponsor/parent/guardian)** by **(Name and Address of Provider)** on **(Dates of Care)**. This was for **(Type of Service)**. However, that check represents an overpayment of \$\_\_\_\_\_.

**(Insert a paragraph which provides a clear and complete explanation of how the overpayment arose, how the overpayment was calculated, why it was not correct, and how the error was discovered. If the payment arose as a result of a contractor error, the contractor will add the following sentence at the end of the explanation.)** We truly regret any inconvenience that this error may have caused you, and we will make every effort to prevent such errors from happening in the future.

**(Continued from overpayment explanation above.)** Since our records indicate that overpayment was made, we must formally advise you of the applicable laws governing the recoupment funds. Specifically, the Federal Claims Collection Act, beginning at 31 USC 3701, requires that federal agencies, including TMA, collect government funds which were mistakenly issued from their accounts. Further, government agencies are required to collect interest on all delinquent debts at the rate of **(Enter the Rate of the Current Value of Funds to the United States Treasury)** percent per year. Interest charges will be waived if this debt is paid in full within 30 days from the date of this letter. If payment is not made within 30 days, interest will accrue from the date of this letter.

---

**FIGURE 10.A-5 SAMPLE LETTER TO BENEFICIARY REGARDING OVERPAYMENT  
(RECOUPMENT) (NON-FINANCIALLY UNDERWRITTEN FUNDS INVOLVED)  
(CONTINUED)**

Additionally, federal agencies are required to assess a penalty charge, not to exceed 6% per year, upon any portion of the amount you owe that is outstanding for more than 90 days, as well as administrative costs, based upon the costs incurred in processing and handling the case.

Finally, we are required to annotate your records to enable us to collect an erroneous payment by administrative offset against current or future TRICARE claims. However, no such offset action will be taken for 30 days from the date of this letter. Since the possibility of offset against your TRICARE claim exists, we are also required to provide the following information to you.

You have the right to inspect and copy all records pertaining to this debt. If you believe this determination regarding your TRICARE coverage is incorrect or dispute the amount of the debt as calculated above, you have a right to request an administrative review of the indebtedness.

**(If this recoupment action is being initiated as a result of a decision rendered from the TRICARE appeals and hearings process, do not include the next two sentences.)** For the purposes of this recoupment action, your right to an administrative review includes your right to a "Reconsideration" under the regulation which governs TRICARE appeals ([32 CFR 199.10](#)). If you request an administrative review, you will be advised if you have further appeal rights to TMA.

If you request an administrative review, it must be in writing and be received by this office within 90 days from the date of this letter. Your request should state specific reasons why you believe you do not owe this debt. You should also attach any supporting documentation, such as bookkeeping and medical records, and a copy of this letter.

If you need to request a waiver of this debt based upon an inability to pay, you will be required to complete a financial affidavit. If it then appears that you are financially unable to make a full refund at this time, you may be afforded an opportunity to enter into a written agreement for repayment of the debt. Please note, however, that any payment plan will include an interest charge at the rate specified above.

Please make your payment, for the total amount shown above, within 30 days in order to preclude interest and late charges from accruing. Send your check or money order, payable to TRICARE, to **(Name of the Contractor)** in the enclosed self-addressed envelope. However, if you do not believe you owe this debt, please contact us immediately with a request for an administrative review and include all supporting documentation.

Your request must be in writing and must be received by this office within 90 days from the date of this letter. Your request should state specific reasons for believing that you are not indebted for any amount listed herein, and should be accompanied by supporting documentation, such as bookkeeping and medical records, and a copy of this letter. **Note:** Use of this letter is mandatory unless an alternative has been approved by the TMA OGC.

**Note:** To be dated same day as mailed. Limit use of SSN to the last four digits.

Dear **(Name of provider or beneficiary) (sponsor, parent or guardian)**:

On **(Date)** we sent you a letter concerning an overpayment of \$\_\_\_\_\_ that was made on your claim for services provided to **(Name of Patient)** in which you were informed that if you did not refund that amount within 30 days (60 days if debtor is a provider) of the date of the letter, the overpayment would be withheld from any future claim payments.

This is to advise that since we have not received the requested refund nor a response to our letter, we have withheld \$\_\_\_\_\_ from the amount due on your current claim and have applied it against the cited overpayment which leaves a balance due of \$\_\_\_\_\_. (If the balance due is zero, the Contractor should skip to the last two paragraphs; include either one, or both, if appropriate. If neither paragraph is appropriate, and the balance due is zero, the preceding sentence will conclude the letter.) Please remit payment of this amount within 30 days from the date of this letter. Your check or money order should be made payable to **(TRICARE Contractor Name)** and may be mailed in the enclosed self-addressed envelope.

If we do not receive the requested payment or a response to this letter, the following actions are required under our TRICARE contract and the Federal Claims Collection Act.

1. Apply all payments of future claims to the overpayment until the amount is recouped.
2. Refer the overpayment to TMA Office of General Counsel (OGC) for collection which will result in added administrative costs and fees as well as an adverse credit rating.

**(Insert the following paragraph if the debtor has not previously been told of his right to appeal a denial based upon TRICARE eligibility or because a service or supply is not a TRICARE benefit. If the Contractor is uncertain whether appeal rights have previously been offered, the paragraph should be included.)**

If you believe that this recoupment action is improper or incorrect, you have the right to request a reconsideration. Your written request, stating specific reasons why you feel the action taken is incorrect or improper, is to be attached to this letter and received within 90 days from the date on the enclosed original demand letter.

**(Use the following additional paragraph if the debtor is a participating provider.)** The offset taken against your claim has been applied toward your indebtedness to the U.S. Government and constitutes payment of the claim. Dear \_\_\_\_\_:

Enclosed is a copy of the Explanation of Benefits (EOB) for the above referenced claim number. You will note that the TRICARE allowable charge, reduced by your cost-share has been offset to collect a prior erroneous payment issued to the provider who elected to participate on your claim.

The EOB satisfies the TRICARE liability for your claim. Pursuant to 32 CFR 199, the participating provider has agreed to accept the TRICARE payment, together with your cost-share as payment in full. Any attempt by the provider of medical services to collect an amount in excess of the total of your cost-share, deductible, and any noncovered services would violate federal regulation and should be reported to this office.

Sincerely,

Dear \_\_\_\_\_:

Since you indicated a desire to repay your debt of \$(**Enter Principal Amount of Debt**) in monthly installments, this office will accept monthly payments of \$\_\_\_\_\_. Interest will be assessed on the unpaid principal balance at the rate of (**Enter Current Interest Rate**) per year from (**Enter Date of Initial Demand Letter**).

Your first payment should be sent to arrive not later than (**Enter a date approximately one month from the date the debtor requested an installment agreement**). Send your checks or money orders, made payable to (**TRICARE Contractor Name**), directly to:

**(Name and Address of Contractor)**

Payments will be applied first to interest, and then to the outstanding principal balance. You will receive a payment acknowledgment following receipt of each installment. The acknowledgment will reflect the remaining balance and the amount of each installment that was applied to principal and to interest.

Since interest is calculated daily, prompt payment will reduce your total interest assessment. Delinquent accounts will be forwarded to the TMA Office of General Counsel (OGC), for involuntary collection action.

**(Contractor's may request that the debtor include whatever information is necessary to assure proper credit is given. Alternatively, the debtor may be furnished payment coupons or each acknowledgment notice may be duplicated, so that one copy may be returned with the next installment payment. The debtor may be asked to return a copy of this letter with his/her first installment.)**

Your cooperation in this matter is appreciated.

Sincerely,

**Principal: \$1000.00**

**Interest Rate: 8%**

**Monthly Installment Amount: \$45.22**

**Initial Demand Letter Mailed: 01/05/2000**

**Debtor Requests Installment Repayment Agreement: 03/03/2000**

Promissory Note Prepared by contractor on 03/05/2000; First Installment Due 04/05/2000 (or it may be 04/01/2000, if the contractor chooses to have all installment payments due on the first of each month). For purposes of this example, it is assumed that the due date is 04/05/2000.

1. Debtor's first payment of \$45.22 received 04/03/2000.

Interest on \$1000 from 01/05/2000 until 04/03/2000: Interest = Number of days since last computation of interest (or date interest began to accrue) x daily rate x principal balance.

$88 \text{ days} \times 0.0002191 \text{ (} 1/365 \times 0.08 \text{)} \times \$1000 = \$19.29$

Monthly Installment Payment (\$45.22) less Interest (\$19.29) = \$25.93 (apply to principal balance). New principal balance is \$974.07. Payment acknowledgment notice issued. Next installment of \$45.22 is due 05/05/2000.

2. (Debtor's second payment of \$50.00 received 05/07/2000.)

Interest on \$974.07 from 04/03/2000 until 05/07/2000:

$34 \text{ days} \times 0.0002191 \text{ (daily interest rate calculated above)} \times \$974.07 = \$7.26$

Monthly Payment (\$50.00) less Interest (\$7.26) = \$42.74 (apply to principal balance). New principal balance is \$931.33. Payment acknowledgment notice issued. Debtor paid the 05/05/2000 installment, plus \$4.78 toward the 06/05/2000 installment.

3. Delinquency notice issued 07/10/2001 (35 days after due date).

Debtor's third payment of \$40.00 received 07/12/2001.

Interest on \$931.33 from 05/07/1990 until 07/12/2001:

$66 \text{ days} \times 0.0002191 \text{ (daily interest rate)} \times \$931.33 = \$13.47$

Monthly Payment (\$40.00) less Interest (\$13.47) = \$26.53 (apply to principal balance). New principal balance is \$904.80. Payment acknowledgment notice is issued. Debtor paid \$40.00 toward the 06/05/2000 installment. He owes 44 cents on the 06/05/2000 installment and \$45.22 on the 07/05/2000 installment. Debtor must be advised that in order to bring his account current, he must remit \$45.66 to cover the balance due on the June installment and the entire July installment. Since the account is not delinquent by two installments (\$45.22 x 2) the case is not referred to TMA.

**Commercial computer programs are available which will calculate interest daily on the unpaid principal balance in the manner reflected above. A variation of a few cents may be noted due to rounding.**

**FIGURE 10.A-22 SAMPLE PAYMENT ACKNOWLEDGMENT (NON-FINANCIALLY UNDERWRITTEN FUNDS INVOLVED)**

Thank you for your installment payment in the amount of \$45.22, which was received April 3, 2000. This payment has been applied as follows toward repayment of your indebtedness to TRICARE:

INTEREST CHARGES:	\$19.29
PRINCIPAL:	\$25.93
YOUR REMAINING PRINCIPAL BALANCE IS:	\$974.07

YOUR NEXT INSTALLMENT PAYMENT IS DUE 05/05/2000.

This information may be useful in the preparation of your income tax return.

**These acknowledgments may be typed, or computer-generated. They should include the debtor's name and address and the contractor's account receivable number. They may be sent in duplicate, so that one copy may be returned with the debtor's next installment payment to assist the contractor in identification of the payment. The total interest paid for the calendar year may be added. Contractors who wish to vary the substance of the acknowledgment notice must contact the Chief, Recoupment Division, TMA, before doing so.)**

**FIGURE 10.A-27 PROVIDER'S POWER OF ATTORNEY AND AGREEMENT (NON-FINANCIALLY UNDERWRITTEN FUNDS INVOLVED)**

WHEREAS the undersigned has filed claims as a participating provider under TRICARE on behalf of a TRICARE beneficiary, **(Name Of Beneficiary), (Sponsor's Name, Sponsor's SSN)** who is entitled to benefits of TRICARE under applicable provisions of law and regulation and,

WHEREAS the TRICARE program is by law a secondary payor to all other insurance, medical insurance or health plans, to the extent that a particular service or supply is a benefit under such other plans and,

WHEREAS the TRICARE beneficiary is a beneficiary of another medical benefits plan provided through **(Name Of Primary Insurer)** which has ceased honoring claims pursuant to **(Reason, i.e., Filing Petition In Bankruptcy, Having Been Placed In Receivership)**.

NOW THEREFORE, in consideration of TRICARE assuming a first-payor status on claims submitted on behalf of the above-named TRICARE beneficiary, the undersigned provider hereby assigns to the United States of America to the extent hereinafter indicated, all claims, demands, entitlements, judgments, administrative awards, and the proceeds thereof, and all causes of action which have been assigned by the beneficiary to the undersigned, and which the beneficiary may assign hereafter to the undersigned, by reason of any liability of third parties entitling the beneficiary to hospital care, or medical or surgical treatment, or to reimbursement for all or part of the cost of any such; or recovery of damages for all or part thereof:

(a) based on contract, partially enumerated here as (1) membership in a union, fraternal or other organization; (2) rights under a group hospitalization plan or under any insurance, contract or plan which provides for payment or reimbursement for the cost of medical or hospital care, including "no fault" automobile insurance,

(b) based on statute, State or Federal (other than PL 87-693, Stat. 593), and regulations promulgated pursuant thereto, partially enumerated here as (1) "worker's compensation" statutes; (2) "employer's liability" statutes; (3) right to "maintenance and cure" in admiralty.

The extent of this assignment is an amount equal to the total reasonable charges for hospital care, medical, surgical and clinical treatment, or any of them, including ambulance transportation and other auxiliary services provided the beneficiary by the undersigned. This assignment does not include any sums to which the undersigned is entitled on a fixed basis which do not depend upon the amount incurred or disbursed by the beneficiary for such care; (sometimes referred to in the insurance business as a right to indemnity).

The various provisions of this assignment are separable. The execution hereof is without prejudice to any lien in favor of the undersigned, on any such money, and any judgment, which the undersigned recovers, or is or becomes entitled to recover, which lien arises by virtue of statute, or of contract, including this contract, (which shall be construed as granting such a lien, and not as an election of waiver thereof); and the undersigned further agrees that any such rights are and shall be for the benefit of said United States of America to the extent of the reasonable charges for the care furnished the above-named beneficiary.

The undersigned participating provider hereby irrevocably appoints the United States of America to do all acts, matters and things deemed necessary or desirable by it with full power and authority in the name of the undersigned provider, but at the cost, risk and charge, and for the sole benefit of said United States of America to sue for, or compromise, and to recover and receive all or part of the amount hereby assigned; and irrespective of assignment, to collect and disburse such funds in behalf of the undersigned; and to give releases for the same.

**FIGURE 10.A-29 BENEFICIARY'S POWER OF ATTORNEY AND AGREEMENT (NON-FINANCIALLY UNDERWRITTEN FUNDS INVOLVED)**

WHEREAS the undersigned is a TRICARE beneficiary (**Sponsor's Name, Sponsor's SSN**) entitled to benefits of TRICARE under applicable provisions of law and regulation and,

WHEREAS the TRICARE program is by law a secondary payor to all other insurance, medical insurance or health plans, to the extent that a particular service or supply is a benefit under such other plans and,

WHEREAS, the undersigned is a beneficiary of another medical benefits plan provided through (**Name Of Primary Insurer**), which has ceased honoring claims pursuant to (**Reason, i.e., filing a petition in bankruptcy, having been placed in receivership**).

NOW THEREFORE, in consideration of TRICARE assuming a first-payor status on claims submitted by me, I hereby assign to the United States of America to the extent hereinafter indicated, all claims, demands, entitlements, judgments, administrative awards, and the proceeds thereof, and all causes of action which I now have, and which I may have hereafter, by reason of any liability of third parties entitling me to hospital care, or medical or surgical treatment, or to reimbursement for all or part of the cost of any such; or recovery of damages for all or part thereof:

(a) based on contract, partially enumerated here as (1) membership in a union, fraternal or other organization; (2) rights under a group hospitalization plan or under any insurance, contract or plan which provides for payment or reimbursement for the cost of medical or hospital care, including "no fault" automobile insurance.

(b) based on statute, State or Federal (other than PL 87-693, 76 Stat. 593), and regulations promulgated pursuant thereto, partially enumerated here as (1) "worker's compensation" statutes; (2) "employer's liability" statutes; (3) right to "maintenance and cure" in admiralty.

The extent of this assignment is an amount equal to the total reasonable charges for hospital care, medical, surgical and clinical treatment, or any of them, including ambulance transportation and other auxiliary services received by me. This assignment does not include any sums to which I am entitled on a fixed basis which do not depend upon the amount incurred or disbursed by me for such care; (sometimes referred to in the insurance business as a right to indemnity).

The various provisions of this assignment are separable. The execution hereof is without prejudice to any lien in favor of the party providing me hospital or other care, on any such money, and any judgement, which I recover, or am or become entitled to recover, which lien arises by virtue of statute, or of contract, including this contract, (which shall be construed as granting such a lien, and not as an election of waiver thereof); and I further agree that any such rights of mine are and shall be for the benefit of said United States of America to the extent of the reasonable charges for the care furnished me.

I hereby irrevocably appoint the United States of America to do all acts, matters and things deemed necessary or desirable by it with full power and authority in my name, but at the cost, risk and charge, and for the sole benefit of said United States of America to sue for, or compromise, and to recover and receive all or part of the amount hereby assigned; and irrespective of assignment, to collect and disburse such funds in my behalf; and to give releases for the same; but no such action shall limit or prejudice my right to recover for my own benefits all sums in excess of those amounts representing said reasonable charges for aid, care and treatment, or other sums to which I may be entitled.

I hereby authorize the United States of America to disclose to said insurer, or other party against whom liability is asserted, or his or their attorneys, such information concerning me as the responsible representatives of the United States of America consider appropriate in connection with the subject matter hereof.

This POWER OF ATTORNEY AND AGREEMENT shall remain in effect until such time as I am again fully covered by other insurance and any claims outstanding with **(Name Of Primary Insurer)** have been fully resolved and settled or until voluntarily terminated by the United States of America.
