

TRICARE Logo

FIGURE 11.A-1 GENERAL INFORMATION AND GUIDELINES FOR THE USE OF THE NATIONAL TRICARE LOGO

1. The logo should be used on all TRICARE materials, whether produced by the TRICARE contractor or the government. No other logo or design should be used to represent TRICARE.
2. The logo should be printed only in its specified colors, Pantone 186 (red) and Pantone 280 (blue) or in black. The exception to this is if printing in a single color, e.g., blue, the logo may be printed in that single color.
